directory of

students - faculty

1963-64

The public impressions of a university and of you personally are made up of countless things. Few things are more important than your telephone personality. To aid the University's public relations, as well as your own, this directory has been compiled through the efforts of the staff and published by the University. Every effort has been made to have correct and valid information throughout this directory. Inquiries pertaining to any portion of this publication should be addressed to THE OFFICE OF THE DEAN OF MEN.
